The first executive undertaking tabled was given by the Minister of Health, Minister A Motsoaledi, on 1 May 2015 when he undertook to follow up on the adequacy of the standby generators provided at the National District Hospital, Pelenomi Hospital and Universitas Hospital in Bloemfontein, Free State Province; Little Fort England Hospital in Grahamstown, Eastern Cape; and P Z Meyer Hospital in Humansdorp, Eastern Cape.

The Chairperson tabled the minutes of the Committee meeting dated 18 February 2015 for consideration and adoption. Mr M J Mohapi, seconded by Mr D L Ximbi, moved for the adoption of the said minutes.

Concerns raised that certain Committee Members have missed a considerable number of meetings in contravention of the Rules requiring regular attendance of Committee meeting by Members.

Action items:

- Committee Secretary to confirm how often individual Members were absent with or without a formal apology at previous meetings.
- Chairperson to engage the Whip on Members who are consistently absent.
- Chairperson to directly engage Members who are consistently absent at meetings before deciding to take action against them.

Action item:

| Committee Secretary to confirm he received the apologies from the stated Members and correct the minutes to reflect the apologies he received. |

12. Reflections on the Update of Rules Pertaining to Executive Undertakings

Ms Shahida Bowers (procedural adviser in the NCOP) and Mr Luvo Nxelewa (procedural officer in the NCOP) attended the meeting in the place of Adv. Nonyane. Before addressing the Committee, Ms Bowers tendered an apology on behalf of Adv. Nonyane. She further indicated Adv. Nonyane was charged with supporting the Rules Committee. Ms Bowers then went on to state that Parliament is currently in the process of reviewing all its Rules and in the process of the reviewing of its Rules, the rules around executive undertakings will be developed for the Committee.

Ms Bowers also added that given that there were currently no rules in place, there was nothing preventing the Committee from being proactive on the issue and developing its own guidelines on the executive undertaking mandate. However Ms Bowers further indicated the Procedural Office would also assist the Committee in this regard by providing it with draft executive undertakings guidelines by 27 May 2015.

The Committee expressed discontent at the absence of rules on this mandate given the importance of the mandate and the fact that a number of executive undertakings had already been referred to the Committee. The Committee indicated it would request a formal written report and briefing from the Rules Committee on the mandate. The Committee also took the decision to resubmit its application to visit the Indian Parliament in an effort to learn more about the mandate.

Action items:

- Committee to request formal written report and briefing from the Rules Committee on the mandate.
- Committee to resubmit its application to visit the Indian Parliament in the third/fourth quarter.
- Procedural Office to submit draft Executive Undertaking Guidelines to the Committee by 27 May 2015.

13. An Update on the Hosting of Petitions Indaba

The Chairperson outlined his decision to postpone the Petitions Indaba following the letter he received from Adv. Phindela. Although some Members expressed reservations around the postponement particularly the involvement of Adv. Phindela in the matter they accepted and supported the new date of the Petitions Indaba being, 31 July to the 1 August 2015. Objections were also raised by certain Members on the cost implications of the Petitions Indaba. These Members suggested the Committee simply introduce the Petitions as opposed to simply
hosting the Petitions Indaba because the latter was a less costly exercise. Notwithstanding the objection, the majority of Members voted in favour of the Committee hosting the Petitions Indaba in addition to introducing the Petitions Bill.

In closing this agenda item, the Chairperson explained the Petitions Indaba was an important consultative process which would allow the Committee to, amongst other things, enrich its core mandate of considering the petitions referred to it.

14. Consideration and Adoption of Revised Petitions Indaba Concept Paper

The Chairperson tabled the revised Petitions Indaba concept paper for consideration and adoption and the said concept paper was tabled without any objections being raised.

15. Announcements and Correspondence

No announcements were made to the Committee and nor was there any correspondence brought to the attention of the Committee.

16. Committee Resolutions

The Committee resolved the following:

- The Committee Secretary to confirm how often individual Members were absent with or without a formal apology at previous meetings.
- The Committee Secretary to follow up on the Rules pertaining to the attendance of Committee meetings by Members in an effort to determine if any of the Members had flouted the Rules in this respect.
- The Chairperson to engage those Members who have been consistently absent from meetings. The Chairperson to also engage the Committee Whip on the matter.
- The Committee to request a formal written report and briefing from the Rules Committee on its executive undertakings mandate.
