address this concern in the Task Team referred to below. The interests of small and large farmers and the parties have agreed to review and

the approach to representation in the LSG categories may not accommodate

the basis of support from growers associations linked to their members, namely

Organisations may complete for seats in both the SSA and LSG categories on

small scale growers (SSG) and large scale growers (LSG) and

on the basis that there will be an allocation of seats of 12 each between

each of 12 seats each between

Grower Council and Grower Council (at the local Grower Council will be maintained

The system of representation at the local Grower Council will be maintained

the following manner:

2.1. The system of proportional representation will manifest in the first instance at the local

system of proportional representation.

An association will be established which would make provision for representation by

independent cane grower organisations (Organisations) represented on the basis of

NOW THEREFORE IT IS AGREED:

AND WHEREAS, the parties now wish to record their agreement in writing.

AND WHEREAS, the structure and function of the association:

and

SOUTH AFRICAN FARMERS DEVELOPMENT AGENCY (SAFDA)

SOUTH AFRICAN CANEGROWERS NEGOTIATING TEAM (SACNT)

designate representatives of

between

the association

on a set of principles which will underpin the formation of a new South African Cane

AGREEMENT
The Chairman of the parties will take responsibility for convening the Task Team

The Task Team will aim to make sufficient progress to enable the parties to report on a monthly basis to the all of the progress achieved; and within which issues will be successfully completed.

Determine the legal entity and its constitution.

Develop the detailed national and regional strategies, policies and programmes.

Form of the legal entity and the constitution.

Develop the Chairperson of the association in proportion to the level of representation they enjoy at the Board/Congress.

To elect by secret ballot its Chairperson and Vice-Chairperson.

The Board/Congress.

The function of the Board/Congress will be as follows:

4. Organizations represented on the Board/Congress will nominate 16 delegates to the Board/Congress of the Association.

3. Organizations in each local Grower Council will nominate representatives in proportion

3.1 To the various local Industry Structures (Mill Group Boards and Local Pest.

3.2 Disease and Veterinary Control Committees) and

3.3 The four main industries represented at the Local Growers Council.

2. The Chairperson will be jointly from the Task Team that will undertake the following:

6. The Chairperson and the nominee for SASA Chairperson or Vice Chairperson.

Chairperson will be from different organizations and therefore all growers will be evenly represented to ensure the occurrence of the functions of the Association will be for the benefit of all growers.

To determine the budget for the administration and operations of the Association per clause 16 of the Sugar Industry Agreement, 2000. It is recorded that the functions of the Association will be for the benefit of all growers.
Signed at MI Edgbaston on the 24 November 2016

consideration and reflection as soon as reasonably possible.

8. This Agreement on principles will be presented by each party to its constituency for

voting at SASA Council in order to proceed minutely.

7.10 Consider changes that may be required to the SASA Constitution with regards
