REPORT OF THE FINANCE PORTFOLIO COMMITTEE ON THE DIVISION OF REVENUE BILL [B5-2019] NEGOTIATING MANDATE

The Finance Portfolio Committee received the above mentioned Bill on 27th February 2019. The Bill is tagged as a section 76(1) Bill in terms of the Constitution.

The committee held a meeting on 14th March 2019 whereby the committee was briefed on the Bill by National Treasury officials. On the same date, a public hearing was conducted but it was only attended by members of the Pietermaritzburg Pensioners Forum. The issues raised by the forum related to increase of the old age grant only.

Despite invitations being sent to various stake holders such as Municipalities, Academic institutions, departments and business forums there was a poor turn out at the Public hearing. There were no written submissions made relating to the Bill except the written submissions from the same Pietermaritzburg Pensioners Forum.

The Finance Portfolio Committee met on 19th March 2019 to consider the negotiating mandate. The committee agreed to confer a negotiating mandate to the NCOP in support of the Division of Revenue Bill [B5-2019].
