Dear Sirs and Mesdames

DISESTABLISHMENT OF THE SCORPIONS

In response to parliament's notice for public submissions on the above mentioned matter I wish to submit the following –

1

I am making this submission as an individual South African, not on behalf of an organisation or a political party.

2

I oppose the disestablishment of the Scorpions for the reasons mentioned herein.

3

Every living thing needs shelter in one or other form and nutrition to survive. The difference between people and the rest of all other living things, is that people work to earn the money that provides their own kind of shelter and their own kind of food. Therefore, when a man takes things from another man or kills another man, it is seen as a crime not only against one, but against all the people because, if not stopped, he may do it
