MEMORANDUM ON THE OBJECTS OF THE CROSS-BOUNDARY MUNICIPALITIES LAWS REPEAL BILL

1. BACKGROUND

- 1.1 The Constitution Twelfth Amendment Bill of 2005 seeks to amend the Constitution of the Republic of South Africa, 1996, so as to provide for the re-determination of the geographical areas of the provinces. The Constitution Twelfth Amendment Bill of 2005 also seeks to do away with cross-boundary municipalities.
- 1.2 In order to ensure a smooth transition from the cross-boundary municipality dispensation to a new dispensation where a municipality would only be located in one particular province, the Cross-boundary Municipalities Laws Repeal Bill (“the Bill”) provides for consequential arrangements. The Bill also seeks to repeal all the cross-boundary municipalities laws.

2. OBJECTS OF BILL

- 2.1 The Bill seeks to dispense with the provisions of the Local Government: Municipal Demarcation Act, 1998 (Act No. 27 of 1998), and the Local Government: Municipal Structures Act, 1998 (Act No. 117 of 1998), by allowing the demarcation of a particular cross-boundary municipality as reflected in Schedule 2 to the Bill to be the demarcation of the newly established municipality (a municipality whose boundaries fall within one province).
- 2.2 The Bill seeks to allow for a section 12 notice as reflected in Schedule 3 to the Bill to be a section 12 notice of the newly established municipality (a municipality whose boundaries fall within one province) issued by the MEC for local government of the corresponding province as indicated in Schedule 3.
- 2.3 The Bill seeks to provide that the newly established municipality is the successor in law of the municipality reflected in Schedule 3.
- 2.4 The Bill further seeks to allow the MEC for local government and the Electoral Commission to take any steps to prepare for the general elections of all municipal councils of the newly established municipalities (municipalities whose boundaries fall within one province).
- 2.5 The Bill seeks to dispense with the provisions of the Local Government: Municipal Demarcation Act, 1998 (Act No. 27 of 1998), and the Local Government: Municipal Structures Act, 1998 (Act No. 117 of 1998), by allowing proposed demarcations of particular municipalities, as reflected in Schedule 4 to the Bill, to be regarded as demarcations of municipalities that reflect a new composition or location in a particular province.
- 2.6 The Bill seeks to allow for proposed section 12 notices, as reflected in Schedule 5 to the Bill, to be regarded as section 12 notices of municipalities that reflect a new composition or location in a particular province.

- 2.7 The Bill seeks to provide for municipalities that have a new composition or location in a particular province to be regarded as the successors in law of the former municipalities reflected in the last column of Schedule 5.
- 2.8 The Bill further seeks to allow the MEC for local government and the Electoral Commission to take any steps to prepare for the general elections of all municipal councils of municipalities that reflect a new composition or location in a particular province.
- 2.9 The Bill seeks to repeal all local government laws providing for cross-boundary municipalities.
- 2.10 The Bill contains a savings clause to ensure that licences, permits or authorisations issues and appointments made in terms of laws applicable in a releasing province continue to have the force of law where a particular area is relocated in another province (the receiving province) as a result of the provisions of the Bill.

3. BODIES/ ORGANISATIONS CONSULTED

- The Municipal Demarcation Board
- MECs for local government
- The Department of Justice and Constitutional Development
- The Bill was published for public comment in terms of section 154(2) of the Constitution.

4. FINANCIAL IMPLICATIONS FOR STATE

An adjustment to provincial equitable share allocations based on the provincial shifts in population will need to be effected.

5. IMPLICATIONS FOR PROVINCES

Provincial functions performed in affected municipalities, either by provincial governments or on an agency basis by the affected municipalities, would need to be addressed. This might also require adjustments to provincial budgets in order to address the shift in functions performed from one province to another.

6. IMPLICATIONS FOR MUNICIPALITIES

Former cross-boundary municipalities will, as from the local government elections, be located in one particular province. One district municipality will have to be disestablished.

7. PARLIAMENTARY PROCEDURE

- 7.1 The State Law Advisers and the Department of Provincial and Local Government are of the opinion that the Bill must be dealt with in accordance with the procedure prescribed by section 75 of the Constitution since it contains no provision to which the procedure set out in section 74 or 76 of the Constitution applies.
- 7.2 The State Law Advisers are of the opinion that it is not necessary to refer this Bill to the National House of Traditional Leaders in terms of section 18(1)(a) of the Traditional Leadership and Governance Framework Act, 2003 (Act No. 41 of 2003), since it does not contain provisions pertaining to customary law or customs of traditional communities.
